# MACHU PICCHU HIDDEN VALLEYS OF SALKANTAY TREK

*The remote Hidden Valleys of Salkantay Trek carries you up barren mountain valleys, over a 15,750-foot pass, and down undisturbed valleys culminating in a visit to the enchanted ruins of Machu Picchu. The other significant beauty of trekking in this area is the rich access to many different Incan ruins - there always seem to be remnants around every twist and turn of the trail. The knowledgeable guiding staff will educate you extensively on these archeological remains whose presence surprises and intrigues you along the way.*
