KENNEDY SPACE CENTER ASTRONAUT ADVENTURE

More interactive than a museum, more inspirational than a science center, and more authentic and educational than a theme park, the Kennedy Space Center offers a mix of thrilling simulators, breathtaking attractions, behind-the-scenes tours, interactive exhibits, larger-than-life-3D space films, rocket launch viewing opportunities and more. Ask a veteran NASA astronaut everything you wanted to know in a personalized, small group setting including refreshments, mimosas, beer, wine, a commemorative gift, and a signed lithograph.
