Perched high on the bluffs of La Jolla, where the Pacific Ocean meets sculpted coastal cliffs, The Lodge at Torrey Pines is where golf dreams and California luxury collide. From the moment you arrive beneath the grand Craftsman-style porte cochère, you're wrapped in warmth — rich wood, stone fireplaces, the scent of the sea, and the quiet hum of a place that knows how to do hospitality right.

This isn't just a golf trip. It's a chance to play two legendary courses, unwind in five-star comfort, and wake up each morning knowing that the Pacific and the fairways are right outside your door.

Your Stay at The Lodge at Torrey Pines

For three unforgettable nights, you'll call The Lodge at Torrey Pines home — one of Southern California's most iconic golf resorts. Your Signature Guestroom is designed in classic Craftsman style, with custom furnishings, cozy textiles, and an atmosphere that feels both elevated and inviting.

Step onto the property and you're surrounded by beauty at every turn:

- Manicured grounds framed by windswept pines and coastal breezes
- A serene pool terrace overlooking the golf course and ocean beyond
- Lounges and terraces are perfect for a post-round drink at sunset

In the evenings, linger over dinner at one of the Lodge's acclaimed restaurants, where seasonal California cuisine and an exceptional wine list pair perfectly with ocean views. When you're ready for a break from the course, the Torrey Pines Natural Reserve is just steps away — with trails that wind along golden cliffs, wildflowers, and sweeping vistas over the Pacific.

Here, downtime feels just as unforgettable as your time on the tee box.

Golf the Legendary Torrey Pines

Few names in golf carry as much weight as Torrey Pines. With this experience, you don't just visit — you play both of its celebrated courses.

- **South Course** – Host of the 2008 and 2021 U.S. Open, this is bucket-list golf at its finest. Long, demanding, and endlessly dramatic, the South Course delivers wide Pacific views, tight landing zones, and the thrill of walking fairways where champions have been crowned.
- **North Course** – Beautifully reimagined and beloved for its playability, the North Course offers a slightly more forgiving layout while still showcasing spectacular coastal cliffs and ocean backdrops. It's the perfect complement to the South, with its own character and charm.

With every round, you'll feel the coastal breeze, hear the crash of waves below, and experience that unmistakable surge of adrenaline as you step onto each tee box. This is the kind of golf that makes you slow down, take a breath, and let the moment sink in.
