Welcome to Bordeaux – a region where elegance ripens on the vine and every horizon glows with golden light. Days here unfold at a leisurely pace, in shades of green, gold, and deep crimson. Vineyards stretch endlessly toward the horizon, dotted with storybook châteaux reflected in the mirror-still waters of the Garonne. As you explore, each sip and scene tells its own tale — of passion, craftsmanship, and the timeless romance that defines French wine country.

#### **Pedal Through the Heart of Bordeaux**

Feel the city come alive beneath your wheels as you glide through Bordeaux's elegant streets, where every turn reveals another glimpse of history wrapped in effortless French charm. On this private, three-hour guided bike tour, you'll trace the rhythm of local life — morning markets spilling with color and scent, bakers setting out warm baguettes, and sunlight dancing off 18th-century limestone facades.

Your guide leads you through shaded boulevards lined with plane trees, into hidden courtyards and quiet cobblestone alleys where daily life unfolds beyond the tourist trail. Stop at open-air cafés alive with chatter or pause to watch the Garonne River shimmer under the graceful sweep of its stone bridges. The breeze carries whispers of wine, coffee, and blooming lavender — a sensory symphony that captures the spirit of Bordeaux itself.

By the time you rest your bike and sip an espresso along the riverfront, you'll have seen Bordeaux not just as a visitor, but as it truly is: a city that moves to the cadence of beauty, history, and joie de vivre.

#### **Wine Estate Experience**

Journey into the golden heart of Bordeaux's countryside, where sunlight spills across rolling hills and endless rows of vines shimmer in shades of green and gold. The air carries the scent of ripe grapes and freshly turned earth as you arrive at a prestigious Bordeaux wine estate, a place where time seems to slow and tradition whispers through every stone wall.

Step inside the cool, candlelit cellars, where oak barrels rest quietly, their polished surfaces reflecting centuries of winemaking mastery. Your host — a storyteller as much as a vintner — shares the secrets of terroir, the artistry of blending, and the deep respect for the land that has defined Bordeaux for generations.

Then comes the moment you've been waiting for — a guided tasting of estate wines, each glass a sensory journey through sun-warmed soil, fragrant vineyards, and the patient craft of those who tend them. As you swirl, sip, and savor, you'll taste more than wine — you'll taste the soul of Bordeaux itself: rich, elegant, and timeless.

#### **Chef-Prepared Dinner in Your Villa**

As evening falls, your villa becomes the setting for an intimate French dining experience. A private chef will arrive to prepare a three-course dinner inspired by the flavors of the region. Watch as fresh herbs, creamy cheeses, and market vegetables are transformed into dishes that honor Bordeaux's culinary heritage. The aroma of butter and garlic fills the air, the table glows by candlelight, and each bite delights the senses. Surrounded by friends or family, this is French hospitality at its most personal – an evening of laughter, flavor, and connection.
