

Under the Colorado Sky: A Night at Red Rocks

There's nothing in the world quite like a night at Red Rocks Amphitheatre. Carved by nature and perfected by sound, this open-air venue sits among towering red sandstone cliffs just outside Denver, where music and landscape blend into pure magic. As the sun sets and the first notes echo through the canyon, the stage glows beneath the stars, and every performance feels electric — intimate yet infinite. This is Colorado at its most breathtaking: wild, alive, and unforgettable.

2  PEOPLE

3  NIGHT STAY AT THE
