Highlights of Your Guys' Night

- **Steak & Bourbon: The Private Chef Steakhouse Experience**
 - Picture low conversation, the glow of the grill, and the aroma of sizzling steaks filling your home.
 - Your private chef turns your kitchen or patio into a high-end steakhouse — searing wagyu, ribeye, and sirloin, basting with butter, garlic, and thyme.
 - Each course is hearty yet refined, crafted for men who appreciate bold flavor and serious food.
 - A bourbon expert leads a guided tasting of premium small-batch labels (think rich caramel, spice, oak, and story in every sip).
 - The pacing, the pours, and the conversation create that rare “slow-down” night — all camaraderie, zero hassle.
- **Night of Fire: Brazilian Churrasco for the Guys**
 - Your backyard becomes a live-fire stage — glowing coals, dancing flames, and

the sizzle of meat hitting the grill.

- A private chef works long skewers of picanha, tomahawks, seafood, and more — carving and serving straight from the flame.
 - A dedicated bartender pours premium wines that pair with each bite, keeping glasses full and conversation flowing.
 - Guests gather around the grill, asking questions, learning techniques, and soaking up the energy of a true churrasco.
 - The night feels big, cinematic, and unforgettable — no frozen apps, no folding tables, just a feast built for storytelling and connection.
