Golf Across Four Courses

Your Lake Garda golf escape wouldn't be complete without experiencing all four of Garda San Vigilio's renowned courses — each one offering its own personality, challenges, and views that stop you in your tracks. Designed by Kurt Rossknecht, they combine thoughtful layouts with the natural drama of the morainic hills, vineyards, and olive groves surrounding Lake Garda.

Benaco – The crown jewel of the estate, Benaco is as beautiful as it is strategic. Wide fairways open to sweeping panoramas, while subtle elevation changes keep you on your toes. Every hole feels like a postcard moment, framed by rolling countryside and distant peaks. Perfect for players who want to test their decision-making while savoring the scenery.

Solferino – Narrower and more technical, Solferino demands precision and focus. Well-placed bunkers, tree-lined fairways, and water hazards encourage smart play and creative shot-making. Here, patience pays off — it's a course that rewards strategy over power, and offers a sense of accomplishment when you tame its clever design.

San Martino – Known for its undulating terrain and elevated greens, San Martino is a dramatic ride from start to finish. The rolling fairways and sudden elevation shifts challenge your adaptability, while the views from the higher holes stretch across the vineyards and historic landmarks that dot the region. It's golf with a sense of drama, echoing the history of the battles once fought nearby.

Pozzolenga – Don't be fooled by its size. This 9-hole short course is a masterclass in precision and finesse. Perfect for fine-tuning your short game or enjoying a relaxed afternoon, it allows you to work on accuracy and touch while still delivering beautifully kept greens and thoughtful hole designs. It's also a delightful change of pace after the grandeur of the championship layouts.

Together, these four courses create a golf experience as diverse as it is memorable. One day you'll find yourself aiming for risk-reward birdies under open skies, the next you'll be threading drives through tighter

fairways with a quiet lake glimmering in the distance. No matter which course you're on, each round celebrates the artistry of Rossknecht's design and the timeless beauty of Lake Garda

PGA Professional Coaching: Learn, Play & Elevate

This isn't just a lesson — it's an immersion. Spend a full day refining your game under the guidance of a PGA Professional.

- Morning: Begin with an intensive training session tailored to your needs. From swing mechanics and power to short game and mental focus, your coach helps you sharpen technique with a personalized approach.
- Afternoon: Take it to the course. Play two of Garda's championship layouts alongside your PGA Pro, applying insights in real time as you face rolling fairways, water hazards, and challenging greens. With feedback on every shot, you'll discover not just what to improve, but *how* to master it.

This unique format combines instruction with live play, making every moment both educational and exhilarating.

Winery Visit: The Taste of Lugana

Beyond the greens, indulge in the flavors of Lake Garda with a visit to Antico Gelso Winery, a boutique, family-run estate in the heart of Lugana DOC.

Stroll through sunlit vineyards where vines stretch toward Lake Garda, as your hosts share their story of three generations dedicated to artisanal winemaking. Inside the intimate cellar, learn about their sustainable approach and how each bottle reflects the land's unique character. Then, savor a guided tasting of four handcrafted wines, paired with local cheeses, cured meats, olive oil, and handmade delicacies. Warm, personal hospitality makes this an experience that feels like being welcomed into the family.
