Auction Close — Inspire the Room

“Think about the kind of trip your family actually remembers...

It's not the busy ones.
It's not the rushed ones.

It's the ones where you slow down.

Where your kids are laughing...
you're outside together...
and no one is looking at their phone.

Maybe it's racing down a snow tubing hill...
or paddling across a quiet lake...
or just sitting around a fire at night, talking about the day.

That's what this trip is.

It's simple. It's real. And it's unforgettable.

So tonight — who's ready to give their family something they'll talk about for years?”
