Stowe – Where families reconnect. The air is crisper. The mornings are quieter. The mountains rise in every direction, inviting you to step outside, breathe deeper, and experience the outdoors together.

Days unfold naturally here. Coffee on the balcony as mist lifts from Mount Mansfield. Kids racing ahead on forest trails. Laughter echoing across open water. Evenings gathered around a fire pit, cheeks flushed from fresh mountain air, sharing stories beneath a sky full of stars.

This three-night retreat blends invigorating mountain adventure with the warmth and charm of classic New England. It's active without feeling rushed. Refined without feeling formal. Intentional without feeling structured.

Most importantly, it creates space to reconnect, to unplug, and to be fully present with one another. These are the moments that turn into traditions. The stories that get retold. The memories that last long after the mountains fade from view.

Choose Your Seasonal Family Adventure

Winter Wonder: Snowshoeing & Snow Tubing Experience

When fresh snow blankets the Green Mountains, Stowe transforms into a true winter playground — crisp air, quiet forests, and sparkling white landscapes stretching in every direction.

Your family will experience the best of both worlds: peaceful exploration and high-energy fun. Begin with a guided snowshoe adventure, stepping into a serene, snow-covered forest where the only sounds are boots pressing into powder and the hush of winter air. Easy to learn and enjoyable for all skill levels, snowshoeing offers a relaxed and scenic way to explore together, surrounded by breathtaking mountain beauty.

Then shift gears for laughter-filled excitement at the snow tubing hill. Race down groomed lanes, cheer each other on, and feel the rush of pure winter joy — no skill required, just wide smiles and playful competition.

From tranquil trails to thrilling slopes, winter in Stowe delivers the perfect balance of stillness and celebration — creating unforgettable family moments in the heart of the Green Mountains.

Spring, Summer & Fall Exploration: Kayak Adventure

As the seasons shift, Stowe reveals a different kind of magic. Spring brings fresh mountain air and vibrant green hillsides. Summer sparkles with long golden days and clear blue skies. Fall transforms the landscape into a breathtaking tapestry of crimson, amber, and gold.

This is Vermont at its most alive.

Take to the water for a family-friendly kayaking experience surrounded by sweeping mountain views and tranquil scenery. Glide across calm lakes or gentle waterways as reflections of forested hills ripple beside you. The pace is unhurried, the air is crisp, and the setting feels cinematic in every direction.

Children gain confidence with every paddle stroke. Parents slow down and savor the stillness. Wildlife may appear along the shoreline, and laughter carries easily across the water.

It's peaceful yet engaging — just adventurous enough to spark excitement, yet accessible for all skill levels.

In these moments, the mountains feel closer, the pace feels lighter, and family time feels beautifully uninterrupted.

Ben & Jerry's Factory Tour

No family trip to Vermont is complete without a visit to the legendary Ben & Jerry's Factory — where imagination, creativity, and a little bit of whimsy come together in every scoop.

Step behind the scenes to learn how this iconic ice cream brand grew from a renovated gas station into a household name. Watch the production process in action, discover how new flavors are dreamed up, and gain insight into the company's playful personality and socially conscious roots.

Of course, the highlight is the tasting. Sample a rotating flavor fresh from the source — creamy, inventive, and often delightfully unexpected. Then wander the famous Flavor Graveyard, where retired flavors are commemorated with humorous headstones that always spark a laugh (and maybe a little nostalgia). It's interactive. It's sweet. It's unmistakably Vermont.

For kids, it's magical. For parents, it's nostalgic. For everyone, it's a joyful moment that turns a mountain getaway into a memory-filled family adventure.

Your Stay: Topnotch Resort
