Auction Close — Inspire the Room

“Imagine your family waking up in Costa Rica...
you step outside and it’s either the sound of waves crashing on the beach...
or the view of a volcano rising above the rainforest.

Your kids are zip lining through the jungle... spotting monkeys in the trees...
laughing as they try surfing for the first time...
or floating down a river surrounded by nature.

And at the end of the day...
you’re all together... talking about everything you experienced — together.

This isn’t just a vacation.
This is the kind of trip your family remembers forever.

So tonight — who’s ready to give their family the gift of **Costa Rica?**”
