Auction Close — Inspire the Room

“Imagine this...

You're standing in Iceland...
the air is crisp, the world completely still...

And then — the sky begins to move.

Waves of green and violet light...
shifting, dancing...
right above you.

No sound. No distractions.
Just you... and something truly extraordinary.

Earlier that day, you walked inside a glacier —
surrounded by glowing blue ice...
a place that feels untouched by time.

And tomorrow?
You're soaking in warm geothermal waters...
steam rising... snow all around you...

This is not just a trip.
This is one of those rare moments in life
that you feel... long after it's over.

So tonight...
who's ready to chase the Northern Lights?”
