This is the kind of getaway kids remember forever — and parents do too. A place where adventure replaces routine, where evenings end under star-filled skies, and where families reconnect through shared experiences that feel both timeless and wildly fun.

At Tombstone Monument Ranch, the West isn't just history. It's something you live.

#### **Your Family Ranch Experience**

For three unforgettable nights, your family will trade everyday routines for fresh desert air, wide-open skies, and nonstop Western adventure. Mornings begin with hearty cowboy breakfasts before setting out together to experience life on the ranch.

Saddle up for horseback rides through the rugged Arizona landscape, where towering saguaros and scenic desert trails create the perfect backdrop for family adventure. Test your skills with archery and shooting activities, cheer each other on, and share plenty of laughs along the way. Then climb aboard a guided UTV tour and explore the Sonoran Desert as a family, winding through dramatic terrain and taking in breathtaking views that feel straight out of an old Western film.

Back at the ranch, there's time to slow down and simply enjoy being together. Cool off in the pool, relax in the hot tub, grab a bite from the ranch kitchen, or spend the evening soaking in live entertainment and authentic cowboy charm beneath star-filled skies.

Every detail is designed to bring families together — creating the kind of shared moments, stories, and memories that last long after the boots come off.

Please note: Horseback riding is available for children over the age of 5.
