Auction Close – Winspire Style

“Imagine this... You and someone you love stepping onto a sunlit terrace in Cortona as a bottle of Champagne chills nearby. Later, you're welcomed into a private jewelry atelier with Prosecco in hand... then seated for a candlelit dinner inside a 13th-century palazzo overlooking the Tuscan valley.

And just when you think it can't get more romantic... you spend two unforgettable nights in Rome — exploring the Vatican, walking onto the Colosseum's Arena floor, or wandering the Eternal City under the glow of lamplight.

This is a love story written in wine, chocolate, art, and Italian light. A journey for two that blends romance, culture, style, and unforgettable flavor.
