

# LAKE COMO ROMANCE

*There are places that feel beautiful. And then there is Lake Como. For centuries, poets, artists, aristocrats, and travelers have been drawn to this shimmering corner of northern Italy, where dramatic mountains plunge into sapphire waters and elegant villas cling to hillsides draped in cypress and olive trees. Every curve of the shoreline reveals another postcard-perfect scene: pastel villages reflected in the lake, flower-filled gardens cascading toward the water, and grand estates that seem frozen in time. This is Italy at its most refined — romantic, timeless, and impossibly beautiful.*
