

MEXICO CITY: A FEAST FOR THE SENSES

Mexico City is a feast for the senses. Ancient Aztec history mingles with grand colonial architecture, colorful markets overflow with flowers and spices, and every neighborhood tells a different story through its art, music, and cuisine. From the tranquil canals of Xochimilco to the bold creativity of Frida Kahlo and the irresistible flavors of authentic Mexican cooking, this journey invites you to experience one of the world's most captivating capitals.
