

SPIRIT OF SCOTLAND

Scotland is a place that stays with you — ancient castles rising from mist-covered hills, stone streets glowing beneath Edinburgh's evening lights, and Highland roads winding past lochs, mountains, and fields of heather. And woven through it all is whisky: a spirit shaped by the land, perfected over generations, and at the heart of Scottish tradition. From the historic streets of Edinburgh to the rugged beauty of the Highlands and legendary whisky country of Speyside, this five-night journey invites you to taste, explore, and experience the soul of Scotland one unforgettable dram at a time.
